PugStock is APARN's annual spring fundraising party. We hope you and your pugs will put on your best tie-dye, and join us for a few hours to celebrate peace, love and all things puggy!

Pugs come to rescue by way of all sorts of situations - some are found at animal shelters, others are abandoned, and some come from loving homes that are no longer able to take care of them. Funds raised at this event will help APARN pay veterinary bills for our rescue pugs, many of which are often in need of medical and dental attention.

Whether you can offer a Pug a great home, volunteer, foster pugs, donate dog supplies, money, or simply come to our events, APARN needs you! If you have items to donate, please feel free to bring them to the party and give them to one of our registration volunteers.

In order to speed up registration, please fill out the attached event waiver form and present it to a registration table volunteer.

APARN is a 501c3 non-profit, all-volunteer organization dedicated to the rescue and placement of the pug breed. APARN's mission is to see that no pug in Arizona be put to sleep due to lack of shelter space, age or health problems.
